SUPPLEMENTAL JOINT ADR REPORT

Previously, pursuant to the Court's Initial Case Management Order (Doc. #12), the Parties submitted a Joint Alternative Dispute Resolution Report ("Report") (Doc. #14). At this time, the Parties submit the following Supplemental Joint Alternative Dispute Resolution Report:

As noted in the earlier Report, Plaintiffs' had provided Defendants with a settlement demand, which the Defendants continue to evaluate. (Doc. #14). The Parties initially thought that they would be in a position to participate in mediation prior to June 8, 2018. (*Id.*). While the Parties continue with their good faith efforts to resolve this dispute, they respectfully request that they be provided additional time to participate in mediation. In support of this request, the Parties note that they are presently engaged in written discovery that needs to be completed prior to this matter being mediated. For this reason, the parties would respectfully request that they be given until August 31, 2018 to participate in mediation. By this time, written discovery will be completed, which will help facilitate a potential resolution of this matter. In addition, the parties have identified a mediator and are discussing potential dates now.

Finally, at this time, the parties DO NOT request referral of this case for ADR.

Respectfully submitted,

LEWIS THOMASON
